

# Children's Winter Garden with White Wing School

## May happenings

Oh my goodness, this is the last newsletter of the school year. How did that happen so quickly? Let me express my deep gratitude to all of our families who supported us during the year. It has been an absolutely wonderful year and we extend a big thank you to all of our families for entrusting your children to us for the year. We love each and every one of them.

This month, as always, promises to be an activity rich experience for your child.

Mrs. Kupchik's two year olds will start the month out learning about frogs, flowers and of course that all important person Mom. They will go on to learn about fish, octopus and jellyfish. Their month will culminate with the very special author Eric Carle and his book *The Very Hungry Caterpillar* and then on to colorful butterflies. They will be making foot print butterflies, mixing different colors in a bag to paint jelly fish, paint shells and work on a special present for Mom. Sounds like an awful lot of fun.

Mrs. Muphy, Miss

Meghan & Miss Catherine's three year olds will start their month out talking about Mom and Mother's Day. They will be busily making a present for Mom to celebrate her special day. They will also be learning all about means of transportation. Trucks, cars, trains and boats will be topics during the month. They will learn about the importance of Memorial Day and have black and white as their colors of the month.

Miss Angie, Miss Meghan & Miss Catherine's four year olds'

author of the month will be Eric Carle.

Books such as *The Very Hungry Caterpillar*, *The Very Lonely Firefly* and *The Mixed Up Chameleon* are among the books they will be exploring and doing activities about. Their month will start out talking about their Moms and Mother's Day. The letters of the month will be V, W, X, Y and Z and that finishes up the alphabet. During the month they will be doing lots of practicing for graduation (there's

more about that in the newsletter). Sounds like a very busy and interesting month.

Mrs. Louis' class will be finishing up the alphabet also with the letters V, W, X, Y & Z. Vegetables, volcanoes, zoos, zebras and yo-yos will compliment their letters. Their author of the month will also be Eric Carle and they will be doing all kinds of activities that go along with his beautifully illustrated books. Flowers and Mother's Day will of course be part of their month.

**Please note that the last week of library will be the week of May 13th. Please make sure all books are returned during that week.**

The staff at CWG-WWS wishes you all a very Happy and fun filled summer. To our children going on to Kindergarten we wish you a wonderful year. To the rest of our students, we can't wait to see you all back in September.

GRADUATION FRIDAY JUNE 1

You are cordially invited to attend our end of the year graduation for our Pre K and 4 year old students on Friday June 1. The children have been working very hard to learn quite a few new songs and also will be spending lots of time during this month making some great artwork for the big day.

Graduation will be from 9am-10am and all family members are invited. Invitations will be coming home later in the month.

There will be a special picture presentation which will start at 8:30am. Make sure to be here to see a glimpse of your child's year at CWG-WWS. We have some great pictures. We ask that children arrive at school no later than 8:30am.

ICE CREAM SOCIAL

You are all invited to attend an end of the year Ice Cream Social. This is a school community event sponsored by our Board of Directors. It is a wonderful opportunity for all of our families to gather together at the end of our school year, to celebrate such an exciting year. This event will take place at the gazebo at Greeley Park. The date will be in late May and as soon as we book Greeley Park I will let you know when it will be. The time will be from 6:30-7:30pm. All family members are welcome to attend. An invitation will be coming home in early May. It will have a portion on the bottom that we ask you to return, so that we know how many adults and children will be attending. We hope we will see everyone there!!

## FUNDRAISER UPDATES

Thanks to your generosity, donations for the Hop-a-thon have reached approx. \$1,500. Thank you so very much. Families have asked if it is too late to give donations. We will graciously accept donations until the end of school. These funds help with all classroom supplies and materials.

Also we had a very successful Scholastic Book Fair. A total of \$1,100 worth of books were purchased. This provided each classroom with \$110 worth of brand new books. The children really seemed to enjoy looking at all of the great books that Scholastic sent to us. Thank you for making this a huge success.

Each month the Unitarian Universalist Church donates their congregation's collections to a different organization. CWG-WWS's Scholarship Fund has historically been their choice for the month of March. The church has given us a very generous check to add to our Scholarship fund. We thank them so much for helping children attend our school, who may not have had the chance to do so without scholarship help.
