A Look Ahead	3
What's in store for our classes this month	5

Welcome February!! I cannot believe that this school year is flying by so quickly. We can't complain too much about the January weather. We had some snow, but I'm sure we've all seen worse. Lets hope for good weather this month. We have so much planned for this month even though it is a shorter month. Look on page 5 for each class, to get a peek at what the children will be doing during the month.

Make sure you read through the newsletter for event dates going on throughout the month. Take a look at events that will be going on in the early part of March also, including Open House and a Scholastic book fair. These are always such fun events.

Of course Valentine's Day is one of our highlights during the month. The children will be working on parent gifts and having fun doing all kinds of activities with hearts and the color pink. See below when your child's Valentine's celebration will take place:

Miss Meghan/Miss Catherine's 3 year old class, Miss Stefi's T/H 2's & Miss Chrissy's T/TH class will be on Thursday 2/13

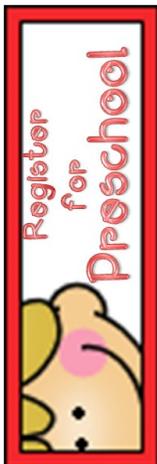

Miss Angie's 4 year old class Wednesday 2/12

Miss Meghan/Miss Catherine's 4 year old class, Mrs. Louis' Pre K class, Miss Chrissy's MWF 3's and Miss Stefi's MWF 3's class on Friday 2/14

**The children will be exchanging Valentine's with each other, so please make sure to send in Valentine's cards for each child in the class. The children will be decorating cookies, so this will be their treat for their party.**

We wish you a Happy Valentine's Day and a wonderful month!

### CWG-WWS 2020 REGISTRATION

Registration is currently ongoing for the 2020-2021 school year. If you know of anyone interested in CWG-WWS, please have them call Chris Clanin @ 882-1041 to schedule a tour.

Some of our classes are already filled, so if you have not registered yet or know of someone interested, please make sure to sign up soon.

Our Pre K class is an opportunity for children who either have late summer birthdays (turning 5 in the summer of 2020 and are not quite ready for Kindergarten or children who miss the cutoff of Sept. 30 for K and are on the older side (turning 5 in Oct. Nov. or Dec). Please call Mrs. Clanin with any questions regarding this program. This is our fourth year with this program and it has been a great success.

### TEACHER WISH LIST

At the beginning of the year, you were so very kind to donate materials for the school. We have made great use of all your donations and in doing so have depleted our supply. The following are items that we could use and if you are able, we would greatly appreciate some donations. Thank you in advance. You help make our school the wonderful place it is.

**Clorox Wipes, Copy paper, Paper towels, 5 oz. cups**

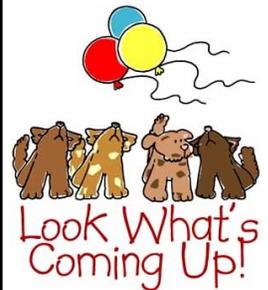

### SNOW CANCELLATION AND DELAY POLICY

The following is directly off of our website describing our cancellation and delay policy. Please read and familiarize yourself with our policy in the event that we have a cancellation or a delay. It can be confusing, so if you have any questions please do not hesitate to contact Mrs. Clanin. On a delay day we will have a 10am carpool line for Miss Meghan and Miss Catherine's MWF extended day class and for Mrs. Louis' Pre K class, however you must bring your children in at 11:30, if they participate in our pm classes, including Stay & Play and Discovery.

“On those days when the Nashua Public Schools are canceled Children’s Winter Garden with White Wing School will be closed as well. If there is a “delayed opening” all the morning preschool programs will be canceled. The MWF Extended day class and the M-F Pre K class, however, will come in at the delayed starting time of 10:00 AM. Afternoon programs will commence at 11:30.”

A Look Ahead—Dates to Remember

Feb. 3	Pink day for all 4 year old classes and Pre K class & Miss Stefi's 3's
Feb. 4	Pink Day Miss Meghan & Miss Catherine's 3's and Miss Stefi's 2's

All Weds & Thurs.	Dance classes with Miss Rebecca
Feb. 24-28	February break—school closed and resumes on 3/2
Week of 3/8	Scholastic Book Fair
March 12	Open House for families

## What's in store for our classes this month?

### Two year old class

Miss Stefi's class will start the month out learning about the color Pink. The month will be filled with hearts, love and Valentine's Day celebrations. Some of the activities that they will be engaging in are graphing things they love, playing with a stethoscope (what does your heart sound like?) matching colored hearts, searching for hearts in the water table and matching them, decorating Valentine's cookies (and eating them of course) and these are just a sampling of the fun to be had this month. They will also be learning about Dinosaurs. Let's paint some dinosaur feet and play with dinosaurs in play dough. They will also be dancing to the Dinosaur stomp. A book they will be reading is entitled "Mom Can I Have a Dinosaur". Watch out for that one. On Thursday February 13 the children will be celebrating Valentine's Day. Please make sure to send in Valentines for the children to give out to all of their classmates. Lots of fun will certainly be going on in February for our 2 year olds.

### Three year old classes

For our 3 year old children, hearts, love and the color pink will start out our month. Making strawberry shakes, graphing conversation hearts, making thumbprint hearts, listening to their heart with a stethoscope, dancing with pink streamers and making a surprise gift for parents are just a few of the activities awaiting them in their classes. Dinosaurs will also be a big part of their month. How big is a Dino foot and What is an archeologist are questions they will find answers to. They will also be making a Paper plate Triceratops, creating a Dino, playing with Dinosaurs in green Jell-O, dino number matching, playing dinosaur concentration, making fossils and playing with a dinosaur sensory bottle. On Thursday February 13 the classes will be celebrating Valentine's Day. Miss Chrissy's and Miss Stefni's classes will celebrate on Friday 2/14 also. They will have so much fun decorating and eating Valentine's cookies. Please make sure to send in Valentine's cards for all of their classmates and they get to give them out. Sounds like a jammed packed, fabulous February.

### **Four year old classes**

The month in our 4 year old classes will start out with the color pink. During the month the children will be learning about Nursery Rhymes. I have attached an article on the importance of children learning nursery rhymes. They allow children to “memorize basic structures and patterns in the English language...It’s important that young children learn to memorize through verse”. Some activities that will be included in this theme will be counting cotton balls, Mary Had a Little Lamb matching game, acting out Humpty Dumpty and a Hey Diddle, Diddle patterning game, creating a sheep and a spider. Miss Meghan/ Miss Catherine, Miss Angie and Mrs. Louis’ classes have started to have letter stations in their classrooms with various letter activities when letters are the theme of the day. The children go from room to room in groups to take part in the activities. They love this and get to venture out of the classroom and meet with new friends. The letters of the month will be L and M. We will be half way through the alphabet. It seems like we just started it. Other themes for them will include hearts, love and Valentine’s Day. Our school will be filled with love this month.

### **Pre K Class**

Our Pre K class will start out the month talking about the color pink. Their letters of the month will be K, L and M and the class will also be concentrating on Nursery Rhymes this month. Please read the attached article which explains the importance of learning Nursery Rhymes. In addition to activities above they will also finger paint sheep, make a handprint cow jumping over the moon, sing and act out Mary Had a Little Lamb, play a sheep name activity and enjoy flannel board Nursery Rhymes. Mrs. Louis’ class is also working on lots of new sight words. They will certainly be so ready for kindergarten by the time they graduate in May. Valentine’s Day will be celebrated in the Pre K class on Friday Feb. 14. Please make sure to have your child bring in Valentine’s cards for all of their classmates. They have so much fun delivering them to each other.

Look for more information regarding 100th day which Mrs. Louis’ class will celebrate on February 14.
