

BEACH DAY

To go along with our Under the Sea unit our classrooms will be turned into the beach for a day. This will take place on **Wednesday March 18** in our 4 year old and Pre K classes. Classrooms will be transformed into the beach. If your child wants to wear some type of beach wear on that day, that would be great. The children will be making their own "Sand cup" snacks and will be having all kinds of fun with floats, towels, beach chairs, goggles and all sorts of other beach gear. We look forward to a great beach day.

WACKY WEDNESDAY

During the first week of March Dr. Seuss's 115th birthday will be celebrated. We will be concentrating on some of his wonderful and funny books. On

Wednesday 3/4, we will be reading Wacky Wednesday. What can WE do to be wacky? How about a Wacky Hair Day? Everyone (yes even the staff) will have their hair as wacky as they can. We would like all the children to participate and we can all be wacky for the day. Be creative—see what kind of hairdo's you and your child can create. Here's to a great Wacky hair day!

Scholastic Book Fair

The Jungle is the theme of this years Scholastic Book Fair which will take place March 10-13. You can stop by in the morning at drop off if that is convenient for you. The book fair will also be open during our evening Open House on March 12 There will be a scavenger hunt, which includes a stop at the book fair. 50% of the sale proceeds will be given to the teachers in the way of purchasing books for the classrooms. This is a great incentive as the children love to read and be read to. Last year each classroom was given over \$100 in free books. They picked out some wonderful books for the classrooms. See you at the Book Fair.

You are cordially invited to attend our Spring Open House

Date: Thursday March 12 Time: 6-7:30

All family members are invited to attend our Open House get together. A scavenger hunt with twists and turns will lead you around the building to attend your child's classroom, the Book Fair and the Fellowship Room where there will be all kinds of cozy nooks to read their new books and ending in the dining hall for refreshments. This will be a great evening. The children are invited to wear their pj's if they want to. Hope to see everyone there.

Rescheduling of Margaritas fundraiser

A fundraiser night at Margaritas had been scheduled for Wednesday March 4. A flyer came home the last week in February. Unfortunately Margaritas has been closed for a few weeks due to some type of damage at the restaurant. They feel that they should be reopening on March 4, but instead of risking that they will not yet be open, we will be rescheduling this event. Look for more information coming home. We are now aiming for the first or second week in May. Keep a lookout for more information coming your way.

A Look Ahead—Adventures in April & May

- Starting in April, Miss Kim will return to do music classes with the children. Kim is a former and future parent at CWG-WWS and did music classes in the fall of this year. Kim is a musician, playing the violin beautifully. She has all kinds of activities scheduled for the children including singing, dancing and bands. We are very much looking forward to having Kim join us in April and May.
- The Harmonica Saints will pay us a visit on April 2 and 6. The Harmonica Saints, which currently has about 12 members, is sponsored by the Nashua Senior Activity Center. In addition to harmonicas, the group includes vocalists, accordions, ukuleles, piano and a musical saw. The Harmonica Saints have visited the school several times and are quite the entertaining group. They get the children involved in singing and dancing and fun is had by all.
- Animal Adventures will pay us a visit in May. You can visit their website which is www.animaladventures.net to see what they have to offer. We have had them visit before and the children love seeing and touching the animals. This is a short excerpt from their home page: "Animal Adventures is New England's largest, privately owned animal rescue center of its kind. We have been operating out of Bolton, MA since 1997. We started as an exotic animal rescue center and expanded into a family operated small zoo. Unlike the big zoos, we are not super fancy but do what we must to provide an enriched life for the animals. We take in hundreds of unwanted or unable to be cared for animals each year. Some, we are able to re-home and others will live here for the rest of their lives." Look for date and time in our April newsletter plus a flyer will come home some time in April.

Welcome
Spring

The text "Welcome Spring" is written in a large, green, sans-serif font. The word "Welcome" is on the top line and "Spring" is on the bottom line. The text is decorated with several pink flowers with yellow centers, a yellow and black striped bee with wings, and a pink and blue butterfly. In the background, there is a faint watermark that says "ORINGPAGE.U" and a sunburst pattern.
